Lion Portal

Talking points

What's happening with the Lions digital tools?

- We're taking the functionality of our current digital tools and creating one streamlined experience.
- The new portal is built on Salesforce, an industry-leading platform used by over 150,000 organizations — including 40,000 nonprofits.
- MyLion, MyLCI and Insights, along with some additional tools and functionality will be accessible through an updated portal for members.
- The portal will have all the same features and functionality currently available with separate tools, but with a more consistent and efficient experience — whether you're on your computer, your tablet or mobile device.
- We're aiming to launch in 2024. And a preview of the portal will be available before that. Stay tuned for more information.
