“Protect Your Vision: The Dilated Eye Exam” for people with diabetes

Created by:
Wisconsin Lions Foundation

Wisconsin Diabetes Prevention and Control Program

Lions Clubs International is pleased to offer this outstanding **new** film presentation focusing on the importance of “the dilated eye exam” for people with diabetes. It explains the dilated eye exam and its benefits, and encourages people with diabetes to take personal responsibility to get the exam once a year. The DVD contains the presentation in both **English and Spanish** and is approximately 12 minutes in length. The “Diabetes Self-Management Information Booklet” is also included with the DVD. This is an interesting, valuable resource for promoting diabetes awareness to your club members and your community.

Code: DEEDVD US\$9.95 + tax. Includes “First Class” postage for USA orders.

“Protect Your Vision: The Dilated Eye Exam”
for people with diabetes

Suggestions for Club Use:

This film is an excellent resource tool to promote eye health and diabetes awareness. Plan to show the film at the following Lions and community events:

Lions and Leo club meetings, fund raisers and other events

- Include a presentation on diabetic retinopathy, or other eye disease
- Encourage members with diabetes or pre-diabetes to have their eyes dilated annually
- Encourage members to loan the DVD to friends who have diabetes or pre-diabetes

Lions District and Multiple District Conventions

- Host a seminar to promote eye health and diabetes awareness
- Distribute the DVD order form to interested Lions

Schools

- Parent/teacher events
- School nurses – may loan DVD to parents of children with diabetes

Community

- Health and diabetes awareness seminars
- Health fairs in collaboration with local healthcare professionals
- Public library
- Optometry offices
- Ophthalmology offices
- Physician's offices
- Chamber of Commerce
- Senior centers
- Youth groups

Business Groups

- Company presentations in conjunction with employee health programs
- Company break/lunch rooms
- Promotion in employee wellness newsletters

Note: The DVD may be shown to small groups by using a DVD player and television or computer monitor. For large groups, it may be best to use a DVD player (or computer) and a digital projector. Local hospitals and schools are great resources for the projection equipment. Some Lions districts have a digital projector available for club use.
