

THE ASSOCIATION has a legal obligation to protect the registered trademarks of Lions Clubs International. To address this need, the Board of Directors adopted the Lions Clubs International Trademark Policies. These policies define the association's trademarks and provide members, clubs and districts (single, sub and multiple) with guidelines on how and when they can use the association trademarks. Following is an overview of the Trademark Policies that provide a guideline for Lions in the use of the association trademarks as a part of their club and district activities.

Please note the following is a summary of the Lions Clubs International Trademark Policies. For a complete copy of the Policy please refer to the Lions Clubs International website (<http://www.lionsclubs.org/>) or contact the Legal Division at legal@lionsclubs.org.
