

## INTERNATIONAL CLUB TWINNING RECOGNITION APPLICATION

To further the purpose of the International Club Twinning program, Lions Clubs International issues a twinning recognition patch for the fiscal year in which a club's first international twinning began. To receive the award, participating clubs must report their twinning to international headquarters. International twinings reported in succeeding fiscal years are also recognized with a patch.

Twinning must occur between like clubs from different countries, i.e., Lions with Lions, Leos with Leos. **Only one banner patch** is sent to a club per year regardless of the number of twinings.
