

## 2011-12 LIONS INTERNATIONAL YOUTH CAMP & EXCHANGE DIRECTORY

121 camps in 45 countries

207 chairperson details from 57 countries

Information received as of 05/11/2012

► Updates are generally posted to this directory twice per month. ◀

General directions regarding the application process for camps and exchanges are listed below. **Please note that this directory only provides general information. Additional eligibility requirements may apply and are determined by the Lions district or multiple district hosting the camp or exchange, not by Lions Clubs International Headquarters.**

Costs to participate in a camp and/or exchange, including travel expenses, are the responsibility of the sponsor Lions club, the host Lions club, the participant, the participant's family, or a combination of these sources. When reviewing the listings, please note that it is not necessary to travel to another country to participate in a camp or exchange; you can apply for camps and exchanges within your own country. For more information about the Lions International Youth Camp and Exchange Program, click [here](#).

### FOR CAMP & EXCHANGE

**To apply to attend a camp (which also includes a host family stay):**

1. For eligibility and application requirements, contact the Youth Camp and Exchange Chairperson listed for the district or the multiple district program under consideration. A [standard application](#) (YCE 1401) is available on the Lions Clubs International (LCI) Web site. However, please note that many districts require the submission of an application specific to their camp or exchange program, so it is best to contact the Youth Camp and Exchange Chairperson first.
2. After the application is completed, contact your local Lions club for sponsorship and to obtain the required signatures, including those of the Lions club president and the local Youth Camp and Exchange Chairperson, if applicable.
3. After signatures are obtained, forward the application to the Youth Camp and Exchange Chairperson in the district or multiple district where the camp will be offered.
4. Applicants selected to attend a camp will receive a confirmation letter and information packet, typically from the Youth Camp and Exchange Chairperson.

### FOR EXCHANGE ONLY

**To apply for a host family stay (no camp attendance):**

1. To obtain sponsorship, contact your local Lions club or one of the district/multiple district Youth Camp and Exchange Chairpersons listed in this directory. If you're not familiar with your local Lions club, use the ["Find a Club"](#) feature on the Lions Clubs International (LCI) Web site.
2. Complete an application. A [sample application](#) (YCE 1401) may be obtained from the LCI Web site. However, please note that many districts/multiple districts require their own application.
3. Once sponsorship and signatures are obtained, the application should be sent to the Youth Camp and Exchange Chairperson in the area where the exchange will be offered. He/she will then review the application, and if approved, work on locating a host family for the exchange.

## PLEASE NOTE:

- The exchange period will consist of a family stay, as well as a camp for most of the students. The duration of the exchange, including the camp, is about 3 weeks for European youths and about 5 weeks for non-Europeans. The family stay is mainly before the camp, but can also be partially after the camp. Finnish Lions also offer only family hosting in districts where there is no camp.
- All applications from students wishing to apply for Finland must be handled by local Lions clubs.
- Applications shall be sent by a nominated District YCEC or the MD-YCEC of the country or state concerned to YCE Tuula Rantaeskola by the end of February 2012. YCE Tuula Rantaeskola's email address is: [tuula.rantaeskola@lions.fi](mailto:tuula.rantaeskola@lions.fi).
- It is recommended that electronic applications be used. English is the required language to be used. We prefer the European format of the application, available from YCE Tuula Rantaeskola or at <http://www.lions.fi/index.php/fi/finnish-ye> . In the case of handwritten forms, an attached supplement with typed names and contact information should be included or sent separately. The applications can be sent by e-mail for pre-acceptance.
- All camps are absolutely non-alcoholic and the use of narcotics is strictly forbidden.
- Smoking must be stated in the application form.

# YOUTH CAMP AND EXCHANGE CHAIRPERSONS

---

**YCE Chairpersons - Please Note:** If you are listed as a district or multiple district YCE chairperson in this directory, it is likely that you will receive a number of communications from other YCE chairpersons, or potential participants in your district's or multiple district's YCE Program. As stated in Chapter 23 of the LCI Board Policy Manual, good communications are absolutely vital to operations of the Youth Camp and Exchange Program. It is the obligation of all participants to keep all concerned parties informed and to respond promptly to every communication of any type. The sender must be informed promptly, whether the answer is favorable or not, or to be decided at a later date. We appreciate your attention to this vital component of serving as a YCE chairperson. Thanks to all of you for the work you do on behalf of youth around the world!
