

Across North America,
millions of people
suffer from poor vision
simply because they
can't afford eye care
and eyewear.

This impedes a child's ability to learn in school and robs an adult of mobility, independence and quality of life.

As the global leader in eyewear and eye care, Luxottica Group believes that vision care should be a reality for everyone. That's why we established OneSight, a family of charitable programs dedicated to improving vision for those in need worldwide through outreach, research and education. Through OneSight, Luxottica employees in collaboration with doctors, partners and other volunteers have helped more than six million people around the world see more clearly through the hand-delivery of eye care and eyewear.

Through our OneSight Special Price Voucher Program, we want to work with you to provide free eyewear to those in need in your local community. Each book will enable us to help 10 people see their world more clearly.

Special Price **VOUCHERS**

Partnering with local
charitable organizations
to give the gift of sight
to those in need.

LENSCRAFTERS

Issuing Vouchers:
