CERTIFIED GUIDING LION PROGRAM

"Leadership is more than service, it is enabling others to be more productive."

Empowerment is the key to success!

Certified Guiding Lion Facilitator's Guide

PREPARING FOR THE WORKSHOP

GOAL

The Guiding Lion Program is designed to assist clubs that are newly chartered, established or have a priority designation. Guiding Lions are assigned for a two-year term by the district governor in consultation with the sponsoring or established club president. Guiding Lions are limited to serving no more than two new clubs at any point in time.

Even if they are experienced Guiding Lions, they will benefit from this course because it provides the most comprehensive overview available of the roles and responsibilities of a Guiding Lion.

The Certified Guiding Lion Course will help them:

1. Understand their role as a Guiding Lion
2. Help them develop a plan to guide the club to become self-sufficient and strong
3. Provide tools to help the club officers manage their club
4. Establish a system to track development over the course of their term

The overall goal of this workshop is to familiarize the Lion with the roles and responsibilities of a Certified Guiding Lion and Give the Lion the knowledge needed to carry out these responsibilities. How you do this will depend largely on how accurately you have assessed your members' dedication, motivation and knowledge of Lions clubs.

ROLES OF THE HOST

The host will ensure that the participants understand the preliminary work that should be done prior to the course date. Following is a list of resources to be reviewed prior to the workshop.
