Celebrating 100 Years of Service

What better time to be the Spouse/Companion of a District Governor than during our Centennial Celebration! This is a once in a lifetime opportunity for you to serve alongside your District Governor during this historic year!

The Centennial Celebration brings Lions together to celebrate 100 years of life-changing humanitarian service. Starting with the kickoff in July 2014 and ending in June 2018, Lions around the world are joining in the celebration by expanding our community impact through service projects and inspiring others to join us in service.

Our global Centennial Celebration is founded on three themes:

**LEAD THROUGH SERVICE**
Lions Clubs International was built upon two words: "We Serve". Service to others is one of the highlights of our Centennial Celebration. All clubs are called to accept the **Centennial Service Challenge** to collectively help more than 100 million people in four areas of focus - youth, vision, hunger & environment.

**INVITE FOR IMPACT**
Because Lions serve 50 people per year, on average, growing our membership increases our impact. Lions earn **Centennial Membership Awards** by inducting new members and starting new clubs, ensuring our place as the global leader in humanitarian service for the next 100 years.

**CONNECT WITH COMMUNITY**
Lions identify community needs and take action to meet those needs. During the Centennial, clubs are encouraged to strengthen their community bonds by implementing a **Centennial Community Legacy Project** that provides a visible and long-lasting impact.

"Our Centennial will be much more successful when clubs get involved through service and celebration! Come join us!" – Incoming President Corlew
