

STEPS TO PLAN A ONE-DAY EVENT

- Involve all club members, to brainstorm ideas appropriate and needed for a one-day event.
- Decide on an event.
- Set agreed upon goals and objectives, and put them in writing.
- Schedule a day. If possible coordinate date for participation in a global effort.
 - See the following websites for more information
 - Lions Clubs International
http://www.lionsclubs.org/EN/content/news_calendar.shtml
 - Points of Light Foundation - Season of Service
<http://www.pointsoflight.org/programs/seasons/>
- Organize a planning committee
 - Current Lions and consider partner with other community organizations
 - Use pre-produced planning guides to provide committee with ideas and a checklist. Use this websites for generic planning guides.
 - <http://www.pointsoflight.org/downloads/pdf/planOneDayVol.pdf>
- Set a timetable for work to be done before the event
 - Recruiting
 - Safety and security issues
 - Record keeping
 - Food/Water/chairs and the like
 - Other -
- Look for community partners and/or sponsors to help defray expenses.
- Do a dry run of key activities before the event with committee members.
- Create information for media from start and continue up to event, with report on results of work immediately following the event.
- Evaluate the event and plan for next year.

Steps to Planning a One-Day Event
