

## DISTRICT LEADERSHIP ASSESSMENT

---

District: \_\_\_\_\_

Date of Assessment: \_\_\_\_\_

This assessment tool is designed to determine training and leadership development programs already in place in the district, and to identify opportunities for expansion and improvement.

Please use this form to record training and leadership development activities in the district.

It is to be used jointly by the District GLT Team in consultation with representatives of the zone, and will provide guidance to the development of the district leadership development plan.
