

International Diabetes Federation (IDF) Country Diabetes Association Links

The International Diabetes Federation lists over 200 diabetes associations in more than 160 countries.

Contact your regional and country diabetes association to obtain information and publications for your diabetes awareness projects and events, including your **Strides: Lions for Diabetes Awareness** event.

To locate your country's association:

- Visit the IDF web site: www.idf.org
- Select the "[WHO WE ARE](#)" tab
- Select the "Regions" tab to find information listed by: [IDF Regions](#)
- Select the "Members" tab to find [IDF Members](#) (associations by individual countries)
