

# Centennial Activity Planning Worksheet

---

Use this worksheet to develop a **more detailed plan that includes success measures, project milestones and resources needed** for each Centennial activity goal statement from your completed Club Centennial Celebration Plan sheet. Each Centennial activity/project should have a completed worksheet for each year of the Centennial when appropriate.

---

**Project Type:** Identify the Centennial activity associated with this planning worksheet

- Centennial Service Challenge (Select one: Youth, Vision, Hunger, Environment, Diabetes)  Centennial Membership Awards  
 Centennial Community Legacy Project  Centennial Celebration
- 

**Goal Statement:** Identify your high level goal as it relates to a specific Centennial activity. Take this goal statement from your Club Centennial Celebration Plan.

**Success Measures:** How will you know that you have succeeded?

---

**Project Milestones:** List the major steps to completing your activity.  
(Also, consider creating a separate, detailed list of all tasks/action steps required)

---

**Completion Date**

---

**Committee/Lion(s) Responsible:** Identify Lions that will lead the planning and implementation of this project.

---

**Resources Needed:** Consider funding, participants, materials and additional resources needed to complete the project.

---

**Potential Obstacles/Challenges**

**Solutions**

---

**Reporting:** Report achievements and completion dates for your Centennial project (When applicable, include the number of people served, members inducted, or community involvement in the Description of project achievement field below).

---

**Completion Date**

---

**Description of project achievement**

---

**Date reported on MyLCI**

---

**Date shared with District Coordinator**

---
