Catie Rizzo Appointed CFO and Treasurer of Lions Clubs International

Oak Brook, Illinois, April 18, 2016—Lions Clubs International (LCI) is pleased to announce that Catie Rizzo has been appointed as the association's new CFO and Treasurer.

As CFO and Treasurer, Rizzo will oversee and direct finance and accounting functions while managing Club Supplies & Supply Chain Ops, Finance, Internal Audit and Building Services. Working closely with the Executive Administrator, she will play a key role in financial planning for the association's future.

"My decision to take on the CFO role [at LCI] was driven by the opportunity to combine my interest in contributing to a philanthropic mission with my background and strengths as a financial leader," says Rizzo. Her new role will allow her to help shape and communicate a vision for LCI and Lions Clubs International Foundation along with the other administrative officers.

With over 18 years of international finance, banking, financial reporting and budgeting experience, Rizzo will be a valuable asset to the organization. She earned a B.A. in Accounting and an M.B.A. from North Central College in Naperville, IL. She is also an Illinois-licensed CPA.

One of Rizzo's goals at LCI is to ensure that the organization's finances align with and support LCI Forward, the association's strategic plan. She believes that financial responsibility and transparency is critical to the success of the association and representing the interests of Lions Clubs members.
