District Support:

The purpose of the district leadership is to support club health and development. However, care needs to be taken to ensure that the club is supporting the projects and events that are interest to the club’s members. Studies show that healthy clubs will support district projects that are important to the members, however, they may also take away energy that is needed to rebuild a weak club.

Is the district leadership viewed as positive and helpful? Yes No

Does the district or multiple district offer training opportunities that would benefit club officers and members? Yes No

Do club officers attend zone meetings? Yes No

Are district functions and meetings communicated effectively to club officers? Yes No

Do district events/projects detract club members from supporting their own projects? Yes No

What support could the district provide?

Further Leadership Development:

There are times when a club is failing due to leadership issues which could range from disruptive members to lack of direction. Lions Clubs International has a vast resource of leadership development courses and programs offered to members to help the Lion leaders be successful. Your District Global Leadership Team (GLT) Coordinator can provide more information about the training opportunities available. *Be sure to let new and existing members know the tremendous opportunity they have for personal growth by participating in the training programs offered by Lions Clubs International.* Visit the [Lions Learning Center](#) for additional information.
