Grant Criteria:

1. Districts may apply for a grant once within a 6 month period. Individual clubs may not apply.
2. Grants are available in amounts up to US$20,000.
3. The number of Community Recovery grants awarded annually is limited by the US$250,000 cap for the program.
4. Grants may be requested within 60 days of a disaster’s occurrence, following a full assessment of the needs.
5. Grants may be requested for current disasters only, where at least 100 people are affected or displaced by the disaster.
6. Districts have 60 days to use the funds. Grants are not intended to establish reserve funds and any unused funds after this 60-day period must be returned to LCIF.

8. Priority will be given to applicant districts with ALERT leadership or the equivalent.
9. Construction projects are not eligible.
10. Grants are not intended to support ongoing operational expenses.
11. Grants shall not be given or used to provide direct cash assistance to disaster victims. Numerous other agencies exist principally for this purpose.
