

GAT - Ambassador Toolkit Overview

Your Global Action Team (GAT) - Ambassador Toolkit includes all the tools you need to spread the GAT's message of action and find inspiration to share your own story of leadership, membership and service.

Your Resources

1. The Global Action Team Overview Presentation (PowerPoint)

This presentation shares all the key information about the GAT, including the areas of focus and how each member of the team contributes to our one-team approach. It is fully customizable to fit your needs.

Who is my audience?

Any officer who is not familiar with the Global Action Team will benefit from this presentation. It complements our story of impact by providing background information.

2. The Global Action Team in Action Presentation (PowerPoint)

This presentation gives a real-world example of how leadership, membership and service work together.

Who is my audience?

Every Lion and Leo- our members want to be inspired to act, and we know that our stories of impact capture the mission of the GAT better than any "Roles & Responsibilities" or guide.

3. The Global Action Team Videos

Our inspiring videos share why the GAT is important and how it leads to success in leadership, membership and service.

4. The GAT Pocket Guide (informational flyer)

Your Responsibilities

1. Review these presentations prior to speaking with Lions and Leos about the Global Action Team.
2. Use these presentations, especially the Global Action Team in Action presentation, as inspiration to create speeches or other presentations that are relevant to your audience.
3. Share the stories of success that you learn about during your engagements.
