The purpose of the Faculty Development Institute (FDI) is to develop and expand the number of skilled faculty available for use in training at the club, zone, district, and multiple district levels.

Participant Qualifications:

1. Applicants should have experience serving as instructors for Lions training events. This experience should include using PowerPoint to support training delivery. (Note: Participants will not be expected to create any materials while at the FDI, but it will be necessary to use PowerPoint and other provided materials for some activities.)
2. Applicants must be willing to commit to a three-day institute, including classroom sessions and meals, and understand that personal time is extremely limited. Attendance at all classroom sessions and scheduled meals is mandatory.
3. Lions participating in this three-day course will be required to conduct a local training event within six months of the institute, in order to complete the FDI.
4. Applicants must be capable of understanding and participating in at least one of the offered languages of instruction at this institute.

Cost of the Institute:

Lions Clubs International will provide meals and lodging according to the schedule of the institute. Please note a non-refundable fee of US\$150.00 is required for participation in this training event. Please do not send fees until you receive a letter of acceptance to the institute. Participants are also responsible for their own transportation and related travel expenses to and from the institute site.

Selection Process:

Because of the high number of applications received, acceptance into the institute is not guaranteed. Qualified district governors will be considered for participation in a Faculty Development Institute only if space is available. All applicants will be notified of selection status no more than three weeks after the application due date via the email address provided on the application form. The Leadership Development Division of Lions Clubs International reserves the right to cancel any institute or language-specific classroom due to insufficient applications submitted by the stated application due date.

Expectations of Lions Who Complete the FDI:

1. Serve as a leadership resource and pursue additional leadership and training roles and responsibilities in their respective zones, regions, districts, and multiple districts.
