The Service Journey

The Service Journey is an approach to living and serving well. To making a real difference people can see and feel. It encompasses four simple phases: Learn, Discover, Act, and Celebrate. We love these words because they transcend organizational formulas. They have no borders. They are the essence of Lions and Leos.

If the past 100 years have taught us anything, it's that as we serve, we grow. And we were never meant to stop. **Service is our journey. Let's explore it together.**
