# Positive Collaboration with Lions and Leos

## Planning Tool

Use this resource to help you start to plan a project that includes both Lions and Leos.

**Project name:** \_\_\_\_\_

Below are some example tasks your clubs may plan to do, along with blanks for other tasks you need for your project. Work together to determine whether Leos or Lions — or both — will be performing each task, and be sure to take notes with more details and dates for each task.

Task	Lions	Leos	Lions & Leos
Proposing projects			
Budgeting			
Marketing			
Scouting location for event			
Connecting with community			
Collecting feedback			

**Who else in your network could support the project?**

[Leo advisory panelists](#)

☐ [Leo/Leo-Lion cabinet or council liaison](#)

☐ [District or multiple district Leo president](#)

☐ Other (examples: club officers, district governor, district Leo chairperson) \_\_\_\_\_

**What resources could you use to help plan your project?**

☐ [Service project planners](#) (found on lionsclubs.org)

☐ Resources within your community: \_\_\_\_\_

☐ Resources within your district: \_\_\_\_\_

☐ Resources from Lions International including [LCIF grants](#): \_\_\_\_\_

**How can this project help your clubs learn something new about working together?**

**What challenges might you encounter when working together, and how can you address them?**

After your service project is done, consider applying for the Lions and [Leos Serving Together Banner Patch](#) and assess how the project went including how you can improve your collaboration next time.
