# How your Lions Legacy continues

When you include Lions Clubs International Foundation (LCIF) in your estate plan, your generosity helps ensure LCIF can carry out its mission to support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants. You are helping LCIF impact communities well into the future.

To celebrate your commitment to the foundation and beneficiaries of Lions service, we may share your name as one of the growing number of humanitarians providing future gifts to LCIF, unless you request anonymity. Details about your commitment always remain confidential.

## Including LCIF in your estate

There are several options for making future gifts to the foundation.

### Wills or living trusts

The easiest and most tangible way of making a lasting impact is to specify an exact amount, a percentage of your estate, or what remains after providing for your heirs.

### Retirement plans

Including the foundation as a beneficiary of your retirement plan is a tax-savvy way to make a charitable gift, as amounts remaining in these plans at death may be subject to estate and income taxes when left to individuals.

### Life insurance proceeds

Designating the foundation to receive all or a portion of a life insurance policy no longer needed for its original purpose may also result in income and estate tax benefits.

### Savings, checking, or investment accounts

In most states, LCIF can be named a beneficiary of such accounts, simplifying planning and administration processes for estate executors or administrators.
