

# YOUNG LEADERS

Dear Young Leader:

Congratulations on receiving the Lions Young Leaders in Service Award. Through your hours of service you have exemplified the true spirit of Lionism and made your community a better place to live. We join your family, friends, local Lions club and community in commending you for accepting the challenge of community service. We hope you will continue to be a source of energy and enthusiasm for those around you as you make service a priority in your life.

Lions Clubs International offers many other opportunities for outstanding young people like you. The Lions Youth Camp and Exchange Program provides camps and host family stays all over the world for youth between the ages of 15 and 22 to encourage peace and international understanding. The Leo Club Program is implemented in over 140 countries and geographic areas by tens of thousands of youth who are invested in service and leadership development.
