

Global Action Team (GAT) Focus Areas

District Goals

The GAT helps districts to achieve their goals by creating a unified approach to action in Leadership, Membership, Service, and LCIF. As members of the GAT it is your responsibility to support the goal setting, planning and implementation process. Goals should be reviewed on a quarterly basis to ensure districts are on track to achieve their goals.

Zone Chairpersons

As a member of the GAT one of your top priorities is to reinforce club level communications through the zone chairpersons in order to support initiatives and provide resources. Zone chairpersons will be utilized to ensure club officers are updated with the latest information and resources available through LCI, in addition to serving as a critical part of the feedback loop between clubs, districts and LCI headquarters. Hold your zone chairperson training early.

Feedback Loop

Feedback is essential to success in our work as Lions and members of the GAT. Specialists from Lion Clubs International will rely on all levels of the GAT to collect feedback on new initiatives, challenges and successes. Being an active part of this feedback loop is a crucial part of your unique role as a member of the GAT.

Success Stories

The GAT message is best shared through storytelling: stories that focus on a one-team approach and highlight how each pillar of the structure contributes to the others. Stories may be featured in social media, the GAT newsletter or the Lions blog, so send your GAT success story to GAT@lionsclubs.org.

Districts are eligible to receive US\$500 to support district GAT activities. See the funding and grant opportunities section for more info.
